

How to make automated payments to your savings account

You can make one-off or regular payments to your Newbury Building Society savings account online.

If you don't have access to the internet or online banking, you can visit your bank to set up a one-off or regular monthly payment.

How to make a payment online

Log in to your online banking account and use the details below to make a payment to your Newbury Building Society account.

How to make a payment via your bank

Visit your bank and provide them with the details below to make a payment to your Newbury Building Society account.

To make payments into your savings account the bank details are as follows;

Bank name: Newbury Building Society

Account number: 00000000

Sort Code: 62-28-74

Reference: This is your Newbury Building Society account number which is the 10 digit number inside your passbook.

Account type: Business

Please note: These bank details are to be used for standing orders and one off payments. Your bank will have a transaction/daily limit relating to the amount that you can transfer in this way. If the amount is more than your bank limit allows please contact us to request our CHAPS details which is a system that can be used for larger amounts.

You can also make an automated payment to your mortgage account with Newbury Building Society, please follow the same process as above but quote your mortgage account number as the reference.

All automated payments are subject to the terms and conditions of your account.
