Important Information

1. If the balance of the account falls below the minimum, a variable rate of 0.50% gross/AER will be paid. The minimum balance for the account is determined by the lowest band.
2. The 'gross' interest rate quoted is the contractual rate of interest payable before the deduction of income tax at the rate specified by law.
3. AER stands for 'Annual Equivalent Rate'. The AER illustrates what the interest rate would be if the interest was paid and compounded once a year.
